

Summer Job Opportunities!

STEER A COURSE TO NORTHPOINT MARINA FOR THE UPCOMING BOATING SEASON **April to October** **SECURITY POSITIONS AVAILABLE**

Located in Winthrop Harbor, the “Cornerstone of Illinois”, Northpoint Marina is the largest inland marina in the United States. Over 1-1/2 million visitors per season visit the North unit of the Illinois Beach State Park which is home of Northpoint Marina. Northpoint Marina hosts seasonal festivals, fishing and boating events as well as free launch facilities, fishing piers, picnic sites and public beaches.

Security for Northpoint marina is provided through the **Winthrop Harbor Police Department**, with the goal of providing a safe and pleasant lakeside experience to the 1,500 slip-holders and the visitors of the marina.

Security personnel perform slip safety and security checks, security checks on state supported property, parking enforcement, after-hour transient slip assignments, and general assistance to the marina community. All security personnel are trained and certified in CPR and AED (automatic defibrillator) procedures. Three shifts are available and uniforms are provided.
