LEAC flies in helicopter to honor war heroes

Posted: May 31, 2010 6:43 PM CDT

ROCKFORD (WREX)- A fly-in by a Vietnam War era helicopter helps honor Vietnam veterans.

LEAC brought its Huey helicopter to the Memorial Day celebration at the LZ Peace Memorial at Midway Village.

This year Craig Anderson's name was added to the wall. He died in 2007 from complications from agent orange. "This is just kind of a reward to show that all that suffering and trauma that he had to do because he didn't have a choice really wasn't in vain and he will always be remembered now," said Janice Barzantny, Anderson's sister.

The names of 73 men from Winnebago County who either died or were hurt in Vietnam, are on the wall.
