## Schedule Clarification for New Refuse Collection Service

As our new service provider has delivered refuse cans/totes earlier than expected, we need to clarify the schedule for changing from Veolia service to Jensen's service:

- Residents should place refuse in their Veolia cans up to **Friday, February 29th**. The Veolia cans should be placed at the curb no later than 6:00 a.m. on Friday, February 29th for the final Veolia pickup. Veolia will pick up the refuse and remove their cans on that date. *(Do not place the Jensen's cans at the curb on February 29th!)*
- After February 29th residents should place refuse in their new Jensen's cans. The first pickup by Jensen's will be on **Friday, March 7th**.
